

Dear Theater Parents and Students,

On Monday, we broke a record for the most students to ever audition for a Hilliard Middle School musical. 78 were in attendance. This show is simply not designed to have that many students on stage and for the first time, I had to make some very difficult decisions to cut some students from the show.

Some students had not yet registered for the show and if you auditioned without registering and have not found your name on the cast list, you do not need to do anything further.

Some students were registered and had paid their fee which we have been holding. I will VOID the checks you sent in and shred them for you. If you would prefer me to put your voided check in an envelope for you to pick up, I will leave it in your student's school office with your student's name on it. Please let me know if that is what you prefer.

I am truly sorry not to be able to take everyone. I have never made cuts before as I want every student to feel included and valued. Please encourage your student to continue to audition in the future.

Thank you,

Joy! Grubbs

Legally Blonde Director
