

INTRODUCTION FOR EVERYONE

Greetings cast and parents,

This show is something new for us because everyone's in modern street clothes - there's no fairies, animals, pirates, etc. **So we're hoping to raid your closets more than we usually would.** We ask that you look through what you already have, according to the descriptions below. *Don't buy anything!* We'll start with what you already own, and then we can fill in the rest from our stock or purchases.

I should be at the start of rehearsals every Monday. Thanks!

Emmett, Warner, Callahan

Aaron, Sundeep

Lowell, Winthrop, Pforzheimer

Please bring in any dressy clothes / business attire that you currently own.

Things like

- Dress pants
- Dress shoes, loafers (You can take pictures rather than bring in multiple pairs)
- Suit
- Vest (both suit vest and sweater vest)
- Sport coat / suit coat
- Button down shirts
- Khaki pants

Note for Emmett, Warner, Aaron, Sundeep

The above is for your trial clothes, but you will have additional outfits. Please check your closets for "Law Student" items, see the end of this document.

Vivienne & Whitney

Please check your closets for "Law Student" clothes, see the end of this document.

Enid Hoops

We've already discussed your first costume. Thanks!

For the trial, do you have a pair of darker flats or Mary Janes? And let us know what business attire you might have.

Paulette

Before you bring in any clothes, we want to have a conversation with you about possibilities for your look. Do show us pictures of what shoes you have.. That could influence the direction we take.

Brooke

We have your costume for Whipped Into Shape. Note, you might want to wear a supportive sports bra, since you'll be jumping.

For the trial, would you show us what dressy clothing you have? -more like church clothes or business attire, rather than a fancy dress. Also, dressier shoes - You can take pictures rather than bring in multiple pairs.

Kyle

We have your costume, but would like to see what shoes you have. Do you happen to have a pair of hiking boots/work boots/combat boots? Maybe dark-colored, high-top sneakers?

Dewey

We have your costume covered. Please provide a pair of sneakers or sandals - old, ratty ones would be great.

Chutney

Would you show us what dressy shoes you have? You don't have to dance in them, so we can go in several directions. You can take pictures rather than bring in multiple pairs. And let us know if you happen to have some sort of suit with a skirt.
