Panther Nation!

The first day is TOMORROW! We are excited to open our doors on Wednesday! Students should look at [HOME ACCESS](#) to make sure that any schedule changes are finalized. Print a copy or take a picture with your iPad for easy access on Wednesday. Our [HMS WEBSITE](#) has all of the information you need to start school. Bell schedules, bus assignments, and teacher information is included.

Our doors are scheduled to open for students at 7:45AM each morning. Be sure to give yourself extra time the first few days as we expect traffic patterns to be slow. Your patience and cool is greatly appreciated!

If your child missed PAW Days or did not pick up their iPad, we will make sure they have it by the end of the week!

If you still have questions, don't hesitate to reach out to us in the main office.
