

Notes from the Principal

Dear Weaver Families,

Thank you to our Wildcat families that attended our Winter Conferences! Today and always, we appreciate your support and partnership. As a reminder, the end of the quarter is March 7. As always, you can reference current academic progress on [Home Access](#). Please do not hesitate to reach out to a staff member for any help or support.

If you're interested in purchasing a school yearbook, there are only a few weeks left for a discounted price. Please see the information below for more details!

This week and next, we are having reminder conversations with our students about the Wildcat Way. Our goal is to create a safe and inclusive school for our Wildcats - where our students can learn, grow, and achieve. Thank you for continuing to have conversations with your child about behavior. We are proud of the work happening at 4600 Avery Road.

Congratulations to our winter athletes on a great season! It was great to see our student-athletes competing. For anyone interested in WMS Spring Sports, [please refer to our Athletic Website](#) for more information on try-outs/practice times. It is around the corner!

If you have any family or friends that have current Tharp (6th grade) students - our 6th into 7th parent meeting is next Wednesday at 6 PM. It is hard to believe we are having conversations around the 25-26 school year! We will continue to communicate scheduling updates, but [please reference our school website for more information](#).

As a reminder, tomorrow (2/14) and Monday (2/17) we will not have school. We hope all of our Wildcat families enjoy the long weekend!

Thank you for all you do for WMS! Go Cats!

Principal

Ohio State Testing - April

Looking ahead, in April we will begin our Ohio State Testing. Students have been working hard all year and to “show what they know” on these assessments. You can access your student’s Ohio State Test scores from previous years in [Home Access](#). We are going to have discussions around goal setting with our students for Ohio State Test and STAR assessments with our students.

For planning ahead, here are our state testing dates:

Wednesday, April 9th - ELA Part 1 (7th and 8th grade)

Thursday, April 10th - ELA Part 2 (7th and 8th grade)

Tuesday, April 15th - Science Part 1 and 2 (8th grade only)

Tuesday, April 22nd - Math Part 1 (7th and 8th grade)

Wednesday, April 23rd - Math Part 2 (7th and 8th grade)

Testing will take place from 7:55 – 10:13 am on these days and students will follow an adjusted bell schedule once testing is complete each day. Please make sure that your child is well rested, has a good breakfast and arrives to school on-time. Students should also make sure their iPads are completely charged when they arrive at school on testing days.

If possible, please try to avoid scheduling any appointments or other planned absences on these testing dates. Students who are absent will make up the tests on a later date.

We believe in our Wildcats! As always, please do not hesitate to reach out if there is anything we can do to support your child at WMS. We are always here to help!

Reminders from the Clinic:

- If your student has prescription medication that they will carry or store in the clinic, there must be a completed medication form to accompany each medication. You can access the forms on the district website under the medical forms at this link: <https://www.hilliardschools.org/news/forms/>. Each medication will need form “A” (Parent permission) **plus** either form “B” “C” or “D” (Prescriber Authorization) depending on the type of medication. You can also pick one up from the school if you prefer.
- Starting in 7th grade, students may carry a day’s worth of Over-the-Counter medications with them. It needs to be in the original bottle and have Form “A”, the parent authorization form signed and turned in to the clinic.
- If your student has had any changes in their medical history, please contact the school nurse. In addition, if your student calls or texts you saying they don’t feel well during the school day and wants to be picked up, please encourage them to come to the clinic so we can

help with that process. By coming to the clinic, we can assess their condition and then collaborate with you on the next steps.

General School Reminders:

- To sign out your student early for an appointment or early dismissal, you will need to scan your Driver's License or state-issued ID using our School Safe ID kiosk in the main office, so please plan to **bring your ID into the office with you when you arrive.**
- All visitors and volunteers to our school (during the school day) will also be required to check in at our School Safe ID kiosk in the main office using a driver's license or state-issued ID.
- Just a reminder that students are permitted to have phones at school, however, they are not to be used during class time. Students are able to use them during their lunch period. Thank you for helping us reinforce the expectations.
- At this time, we will not be allowing extra students on the bus. Only students assigned to the bus may ride.
- Students are not permitted to get food deliveries from any restaurant or delivery service (Grub Hub, Door Dash, etc.) during their lunch periods. Parents are permitted to drop off lunches for students in the main office.
- For continued safety in the car line, please stay in your lane when picking up your child – do not pass any cars in front of you. There are too many vehicles in motion, as well as students walking, and we do not want any unsafe situations.

- To avoid spills and keep our building clean, we ask that students only have water in our academic spaces.
- There are many ways for students to get involved at Weaver, including clubs & activities: [Extra-Curricular Activities – Hilliard Weaver Middle School \(hilliardschools.org\)](https://hilliardschools.org)
