

2026-27 Welcome Center Sixth Grade Registration Worksheet

Please check the 6th grade school of instruction: Station Tharp

Student's First and Last Name _____

1. Request Core Classes

Your child will be scheduled into four core academic classes. Please note, all language arts and math classes are 1.5 periods long, while math, science, and social studies are one period. All 6th grade students are scheduled for Science 6 and Social Studies 6.

Choose one (1) Language Arts class:

- Language Arts 6
- Honors Language Arts (assessment scores should support this class)

Choose one (1) Math class:

- Math 6
- Accelerated Math 6 (assessment scores should support this class)

2. Request Electives

Students can have up to two periods of electives (4 semesters). These choices can be a combination of yearlong or semester courses. **Electives choices are not guaranteed, and scheduled based on availability.** See the back of this form for a complete description of each elective.

Choose a total of four (4) semesters of electives:

- Choir Ensemble (2 semesters)
- Digital Art (1 semester)
- Visual Art (1 semester)
- Physical Education (1 semester)
- STEAM: Science, technology, engineering, art and math (1 semester)
- Innovative Thinkers/STEM (1 semester)
- Wellness in Action (1 semester)
- *Band Ensemble (2 semesters)

Choose a specific instrument:

__baritone __clarinet __flute __French horn __saxophone __trombone __trumpet __percussion

- *Orchestra Ensemble (2 semesters)

Choose a specific instrument:

__bass __cello __violin __viola

*Generally, students are required to rent/buy/borrow their own instrument.

3. Academic Support

If your child has an IEP, 504, Reading Improvement & Monitoring Plan (RIMP), EL identification, or is a below proficiency levels on state/district assessments, your student may be scheduled into a support class. This may **replace** one or more electives. A school counselor will discuss this placement with you.
