B. PROGRAMS/PRESENTATIONS

B1 The Darby Creek Bike Club: Darby Creek Elementary school is proud to offer our 4th-5th grade students the opportunity to join Bike Club as a free after school enrichment experience. Mr. Jeff Decker, Darby Creek's Physical Education teacher, and Ms. Susie Scott, 3rd grade teacher, are bike, movement, and play enthusiasts.

Since its conception in 2017, Mr. Decker and Ms. Scott have partnered with many outside community groups and businesses such as Bike Source and Hilliard PD to help teach the students bike safety and basic bike maintenance. They meet once a month to practice using the playground, the walking path, and the DC TRAIL on the Darby Creek Property. Grants have been obtained to purchase bicycles and equipment needed to successfully operate the Bike Club. Companies like Bike Source have donated a couple of bikes as well as given deep discounts to keep the bikes safely operational.

In addition to the bike club adventure, this year all 1st-5th grade students have had the opportunity to be engaged in a unique balance unit during gym using the bikes. One of the focus areas is to help build and develop gross motor and balance skills for bike riding. During this unit, students practiced their balance skills on stand up scooters, "strider" balance bikes, and actual bikes as they navigate ramps, turns, and obstacles. This unit is a great way to increase students' confidence in bike riding and builds interest in Bike Club on a path to an active lifestyle.
