(Ohio Revised Code §5705.218)

WHEREAS, the Board, at its meeting on May 13, 2024, passed a resolution (the "Resolution of Necessity") declaring that it is necessary to issue bonds in the amount of \$142,000,000 (the "Bonds") for the purpose of constructing, furnishing, and equipping three new elementary school buildings, with related site improvements and appurtenances thereto; and improving, renovating, furnishing, and equipping existing facilities, and constructing, furnishing, and equipping new facilities for school district purposes, with related site improvements and appurtenances thereto, and that it is necessary that a direct tax be annually levied on all the taxable property in the School District outside of the ten-mill limitation to meet the debt charges on the Bonds and any securities issued in anticipation thereof; and

WHEREAS, the County Auditor of Franklin County, Ohio (the "County Auditor") has certified to the Board that an estimated average annual property tax levy of 1.84 mills for each \$1 of taxable value, which is \$64 for each \$100,000 of the county auditor's appraised value, will be required to pay the debt charges on the Bonds throughout their stated maturity; and

WHEREAS, the Board also determined in the Resolution of Necessity that it is necessary, in order to pay for current operating expenses of the School District, to levy an additional tax (the "Levy") in excess of the ten-mill limitation at the rate of 6.90 mills for each \$1 of taxable value, which amounts to \$242 for each \$100,000 of the county auditor's appraised value, for a continuing period of time; and

WHEREAS, the County Auditor has certified to the Board that the dollar amount of revenue that would be generated by the Levy during the first year of collection is \$31,608,000, based on the current taxable value of the School District of \$4,580,941,070;
