 Jill Abraham, Assistant Superintendent
 Stacie Raterman, Communications Director
 Herb Higginbotham, Director of Elementary Education
 Jacob Grantier, Director of Middle Level Education

Jamie Lennox, Special Education Director
 Hilary Sloat, Director of Diversity, Equity & Inclusion
 Matt Middleton, Principal Hilliard Darby HS
 Katherine Hueter, Principal Hilliard Weaver MS
 Matt Trombitas, Asst Principal Hilliard Station Sixth Grade
 Kevin Landon, Principal Avery Elementary
 Monica Campana, Principal Washington Elementary
 Angie Rader, HEA Representative

RECOMMENDATION

**Second Reading
 August 26, 2024**

The Policy Review Committee meets quarterly each school year. All proposed new policies, revisions of current policies or repeal of a current policy are reviewed by the Policy Review Committee before being presented to the Superintendent for submission to the Board of Education. Two readings at two separate meetings shall normally be required before a new or revised policy may be adopted. Action to adopt will take place at a subsequent third meeting. However, the Board does have the option of voting for adoption at the second meeting.

The Policy Review Committee recommends the policies listed below be revised, as noted on the following pages:

1. IKF – Graduation Requirements
2. JN – Student Fees

Revision Notes:

- Language with a ~~line drawn through~~ it is language to be removed.
- Language in **bold-type** is language to be added.

The policies are being submitted for readings and adoption at the following Board of Education meetings:

- First reading – August 12, 2024
- Second reading – August 26, 2024
- Third reading and adoption – September 9, 2024

Graduation Requirements

The Board desires that its standards for graduation meet or exceed the minimum standards of the Ohio Department of Education **and Workforce** (ODEW) as well as State law and, further, that our high school compares favorably with other high schools in the state that are recognized for excellence.

The requirements for graduation from high school are as follows:

Statutory Graduation Requirements	
English Language Arts	4 units
Social Studies, including one-half unit of world history and civilization, one-half unit of American History and one-half unit of American Government	3 units
Science, including one unit each in Physical Science and Biology*	3 units
Math, including one unit of Algebra II or its equivalent**	4 units
Health	½ unit
Physical Education	½ unit
Electives ***	5 units
Financial Literacy****	
Total	20 units

The statutory graduation requirements also include:

1. *students can choose to apply one credit in advanced computer science to satisfy one unit of advanced science (excluding biology or life sciences);
2. ** students may take one unit of advanced computer science in lieu of Algebra II and students entering ninth grade for the first time on or after July 1, 2015 who are pursuing a career-technical instructional track may complete a career-based pathway math course approved by ODEW as an alternative to Algebra II;
3. *** student electives of any one or combination of the following: foreign language, fine arts (must complete two semesters in any of grades 7-12 unless following a career-technical pathway), financial literacy, business, career-technical education, family and consumer sciences, technology, agricultural education or additional English language arts, math, science or social studies courses not otherwise required under the statutory graduation requirements;
4. **** financial literacy requirements:
 - A. units earned in social studies shall be integrated with economics and financial literacy for students entering ninth grade for the first time prior to July 1, 2022;
 - B. students entering ninth grade for the first time one or after July 1, 2022 are required to complete one-half unit of financial literacy to be used toward the elective credits required for graduation, or in lieu of one-half unit of instruction in math. If used toward a math credit, it cannot be used in lieu of Algebra II or its equivalent, or a course for which the State Board of Education ODEW requires an end of course exam. A student who chooses to take one unit of advanced computer science in lieu of Algebra II is not permitted to complete the required half-unit of financial literacy instruction to satisfy a math unit requirement; instead, the student must complete a half-unit of financial literacy as part of their required elective credits; **and**
 - C. **students entering ninth grade for the first time on or after July 1, 2022 can apply credit earned in Advanced Placement (AP) Microeconomics or AP Macroeconomics to satisfy the financial literacy requirement and**
5. meeting the applicable competency/assessment and/or readiness criteria required by law based on date of entry into ninth grade.

Diploma Seals

In accordance with State law, the Board establishes the criteria for at least one of the local diploma seals outlined in State law. The seals include a method to give, to the extent feasible, a transfer student a proportional amount of credit for any progress made toward completing that seal at the district or school from which the student transfers. The District recognizes a locally defined diploma seal that a student transferring into the District earned at another district regardless of whether the Board has developed local guidelines for that seal.

Hilliard City Schools Graduation Requirements Class of 2018 and Beyond

English	4 units
World Studies	1 unit
U.S. History	1 unit
U.S. Government	1 unit
Science - Including one credit each in Biology and a physical science	3 units
Math - Must include Algebra II or its equivalent**	4 units
Health	½ unit
Physical Education - Students may waive the physical education requirement with participation in athletics, marching band and/or cheerleading. Students who pursue this option must earn one-half elective credit in another subject area to meet the minimum credit requirement for graduation.	½ unit

Future Ready	½ unit
Financial Literacy Elective - The financial literacy elective requirement can be fulfilled by taking one of the following courses during the Sophomore, Junior or Senior year: Careers & Money Management, Financial Independence, Personal Finance, College Fundamentals or Principles of Entrepreneurship, Life Skills 1 or CBI 3 Related. Note: Taking one of these prior to the Sophomore year will not fulfill the graduation requirement. This requirement is strongly encouraged for 10th graders who are interested in Tolles Career & Technical Center.	½ unit
Senior Capstone - The Senior Capstone can be completed in a variety of ways/courses and must meet defined criteria. The Senior Capstone must be completed during the senior year.	½ unit
Additional Electives - One credit must be earned in fine arts unless two semesters of fine arts course work were successfully completed in middle school (grades 7-8). Participation in Tolles or CBI may fulfill the fine arts graduation requirement. Elective credits must include one or any combination of world language, fine arts, business, career-technical education, family and consumer sciences, pre-engineering or English, Mathematics, Science or Social Studies not otherwise required.	5 units
Total Credits	21.5 units

Summer School

Summer school credits are accepted toward graduation provided that administrative approval has been given prior to registration for the course.

Educational Options

High school credit is awarded to students who successfully complete Board-approved educational options that count toward the graduation requirements and subject area requirements.

College Credit Plus Options

Credit is awarded for courses successfully completed at an accredited postsecondary institution. High school credit awarded for a course successfully completed under College Credit Plus counts toward the graduation requirements and subject area requirements of the District. If a course comparable to the course successfully completed is offered by the District, then comparable credit for the completed equivalent course is awarded. If no comparable course is offered, the District grants to the student an appropriate number of credits in a similar subject area.

Correspondence Courses

High school courses offered through correspondence courses are accepted for credit toward graduation only when they meet the following criteria.

1. Credits earned in correspondence schools directly affiliated with state universities are evaluated by the school administration for students who wish to qualify for graduation from high school.
2. Credits earned from correspondence schools not directly affiliated with an accredited college or university may not be applied toward graduation.
3. Credits earned from schools, which have been established primarily for correspondence study, rather than an institution primarily for residence study, are not accepted toward graduation.

Course Work Prior to Ninth Grade

Student work successfully completed prior to the ninth grade is applied towards graduation credit if the course is taught by a teacher holding a license valid for teaching high school and is designated by the Board as meeting the high school curriculum requirements.

Physical Education Exemption

A student who, during high school, has participated in interscholastic athletics, marching band or cheerleading for at least two full seasons is not required to complete any physical education courses as a condition to graduate. However, the student is required to complete one-half unit, consisting of at least 60 hours of instruction, in another course of study.

Junior Reserve Officer Training Corps (JROTC) Exemption

A student who has participated in JROTC for at least two full school years is not required to complete any physical education courses as a condition to graduate. In addition, the academic credit received from participating in JROTC may be used to satisfy the one-half unit of Physical Education and completion of another course is not necessary for graduation.

Community Service

The District offers community service education, which acquaints students with the history and importance of volunteer service and with a wide range of existing community needs. Community service opportunities may be considered an elective towards graduation.

Prior Revised Dates	09/23/2002, 10/09/2006, 12/14/2009, 02/13/2012, 01/14/2013, 11/25/2013, 05/11/2015, 04/17/2017, 07/05/2017

Student Fees, Fines and Charges

Materials Fees

Students enrolled in District schools are furnished basic textbooks, both print and digital, without cost. However, a fee for consumable materials and supplies used in the instructional program may be established at the beginning of each school year and may vary as the cost of materials and supplies fluctuates. Such fees are to be deposited in the operating funds of the Board to defray the cost of the materials and supplies.

The Board directs the Superintendent/designee to prepare a schedule of fees for materials to be used in courses of instruction and a schedule of charges that may be imposed for damage to school property.

The District does not charge students eligible for free lunch under the National School Lunch Act or Child Nutrition Act a fee for any materials, participation fees, or technology protection plan which are necessary to participate fully in a course of instruction for cocurricular and extracurricular activities. Any fees charged to students eligible for free lunch under the National School Lunch Act or Child Nutrition Act, will be charged in compliance with State and Federal law. This exception only applies to recipients of free lunch, not students who receive reduced-price lunch. Those students on reduced-price lunch will receive **the technology protection plan free of charge and will receive** half the benefit afforded those students eligible for the free-lunch program **for any materials or participation fees**. This provision does not apply to student enrichment programs that are not courses of instruction.

Fines

When school property, equipment or supplies are damaged, lost or taken by individuals, a fine is assessed. The fine is seeking only to compensate the school for the expense or loss incurred. Free lunch eligibility does not exempt a student from paying fines for damage to school property.

The late return of borrowed books or materials from the school libraries is subject to appropriate fines.

All fines collected are sent to the Treasurer for deposit in the General Fund of the Board.

Unpaid Meal Charges

Unpaid meal charges are considered delinquent debt when payment is past due. The administration will establish procedures for the collection of unpaid meal charges.

Collection of Student Fees and Fines

The administration may establish regulations for the collection of student fees and fines.

Grades and credits are not made available to any student, graduate or to anyone requesting same on his/her behalf until all fees and fines for that student have been paid in full, except where required by State law. Participation in extracurricular field trips will not be permitted unless payment has been received. Students will be prohibited from participating in commencement exercises unless payment has been received.

The District may withhold a student's school records, except as provided in State law, if there is \$2,500 or more of outstanding debt attributed to the student. The District will transmit the student's school records within five school days once the debt is paid. "School records" includes any academic records, student assessment data or other information for which there is a legitimate educational interest.
