

Hilliard Reach Out is an outreach of the Hilliard Church of the Nazarene that annually serves those with home repair and yard maintenance needs in the Hilliard City School District, especially single parent families, those with disabilities, widows/widowers, elderly, and veterans.

Several larger home projects will be selected and as many smaller projects as we can accomplish (see the form linked below for examples). We are accepting applications now for work to be done August 13-15, 2026.

If you or someone you know in the Hilliard community has a need, large or small, please share it with us using this form (only basic contact and project info requested; no financial data required; services are offered free of charge):

<https://forms.gle/FdfNyuwhU7JMD8hf7>

*The services of this organization are neither sponsored nor endorsed by the school district.*
