The Hilliard Youth Chorus is a non-auditioned group of singers in grades 1-7 who want to have fun, make new friends, and sing beautiful music. No prior singing experience is necessary. We focus on singing technique through new songs and musical styles, and learn about singing with confidence! We have eight rehearsals and two performances each season.

WHICH CHOIR SHOULD I JOIN?

Two Choirs, ONE sound!

Check this out!

Due to our increasing number of singers, we are excited to offer TWO SEPERATE singing groups AND rehearsals this season, divided by grade! Each choir will rehearse during THEIR OWN Wednesday time. Most songs will be learned and rehearsed separately, and a few pieces will be sung as a unified choir. This allows singers the chance to practice appropriately challenging music with peers in the same age group. Each ensemble will always focus on learning singing technique, choral skills, and musicianship strategies at relevant levels.
