The Hilliard Youth Chorus is a non-auditioned group of singers in grades 1-8 who want to have fun, make new friends, and sing beautiful music. This group is for unchanged voices with treble range. No prior singing experience is necessary. We focus on a variety of singing techniques and skills through songs and musical styles, and we learn about singing with confidence!

WHICH CHOIR SHOULD I JOIN?

Two Choirs, ONE sound!

Check this out!

Hilliard Arts Council offers TWO SEPARATE singing groups AND rehearsals this season, divided by grade! Each choir each week during THEIR OWN Wednesday time. Most songs will be learned and rehearsed separately, and a few pieces will be sung as a unified choir. This allows singers the chance to practice appropriately challenging music with peers in the same age group. Each ensemble will always focus on learning singing technique, choral skills, and musicianship strategies at relevant levels.
