

# CLUBS

Looking for a new way to keep your child engaged and learning? We're thrilled to announce our new Minecraft Club and Roblox Club at Code Ninjas! These once-a-week, 1-hour sessions are perfect for kids who love gaming and want to connect with friends while exploring their creative side.

**MINECRAFT CLUB** | For Ages 8-11 | Tuesdays 6PM - 7PM

**Start: Jan 7, 2025 | End: Mar 25, 2025**

**\$125 per month**

In this club, Ninjas will learn to use MCreator to design their own mods. They will use Minecraft Java Edition through MCreator in each session to learn commands, build, and develop awesome custom mods.

**ROBLOX CLUB** | For Ages 8-11 | Sundays 11AM - 12PM

**Start: Jan 5, 2025 | End: Mar 23, 2025**

**\$125 per month**

In this club, Ninjas will work independently and collaboratively using Roblox Studio to build their own Roblox experiences. They will use some LUA to make several light scripts throughout the club. In each session, Ninjas will interact with Roblox Studio and learn different tools of increasing difficulty until they develop their own basic Roblox games from scratch!

## ADDITIONAL CLUB INFORMATION:

In our clubs, your child will:

- 🎮 Play together in a fun, social environment.
- 👉 Make friends and collaborate on exciting challenges.
- 👤 Learn new skills while having an absolute blast!

Think of it as a sports season—but for kids who love technology and gaming! Each club runs for a limited time, making it a perfect opportunity to try something new without a long-term commitment.

Spots are limited, so don't wait!

We can't wait to see your child unleash their creativity and have fun!

Join us at Code Ninja Clubs for an immersive experience in the world of technology!
